SHINGOOS NATIVE ASSOCIATION UPDATE

The Association will be applying for funding to employ Students this summer. Once we have received word about our eligibility we will advertize for these positions. We anticipate the hiring of at least two for the summer playgroup and hopefully a couple of additional positions. In the meantime we welcome all applications and resumes.

The Girl's Club is being "resurrected" for girls ten years of age and up. The first meeting date is set May 7, at the Community Centre, from 6:00 pm to 8:00pm. Parents are invited to attend this initial meeting to discuss themes for regular meetings. Please call Sharon for more information.

EMERGENCY AMBULANCE CALLS

The Minaki First Response Team is available to serve the Community, 24 hours a day, by attending emergency calls. To call the First Response Team out for emergencies:

- (1) Dial 0 and ask for Zenith 90,000. The operator will connect you with the Hospital Ambulance Dispatcher.
- (2) Give the Dispatcher an accurate description of the condition of the person needing the Ambulance and the location.

The Dispatcher at the Hospital will call out the First Response Team in Minaki.

PLEASE DO NOT CALL OUT INDIVIDUAL MEMBERS OR THE HEALTH NURSE AS THIS WILL ONLY DELAY OUR RESPONSE TIME.

FIRE PERMIT REGULATIONS

The new regulation describes conditions for outdoor fires that are relatively safe and do not require a permit. Fire permits will not be required for small-scale burning of wood, brush, leaves, or wood by-products, if these conditions are followed:

Piled material:

- tended by a responsible person until out
- a single pile less than 2 metres in diameter and less than 2 metres high
- the fire ignited two hours before sunset, or later, and extinguished 2 hours after sunrise, or earlier
- the fire is at least 2 metres from any flammable materials
- the person has adequate tools or water to contain the fire

Grass and leaves:

- the fire is tended by a responsible person until out
- the area to be burned is less than 1 ha
- the length of flaming edge is less than 30 metres
- the fire is ignited 2 hours before sunset, or later, and is extinguished 2 hours after sunrise, or earlier
- the person has adequate tools or water to contain the fire

Incinerators:

- enclosed device
- at least 5 metres from any forest
- at least 2 metres from flammable materials
- covered by mesh less than 5 millimetres in size
- a responsible person monitors the fire until out

If a *Restricted Fire Zone* is put in place because of high fire hazard, these fires will *not be allowed*.
